BE IT ORDAINED by the Board of County Commissioners of Hernando County, Florida, as follows:

SECTION I. FINDINGS OF FACT AND PURPOSE

It is hereby found by the Board of County Commissioners of Hernando County, Florida, that street lighting and ground's maintenance at the entrance are essential services for the benefit of the health, safety, and welfare of the public. It is further the finding of the Board of County Commissioners that the Legislature has in Section 125.01(1)(q), Florida Statutes, provided for the creation of municipal service benefit units as a vehicle granting to all counties flexibility to levy special service charges or special assessments within the limits fixed for municipal purposes for the furnishing of municipal services within those areas receiving the benefit of such municipal services in order to solve the controversy of double taxation between residents of the incorporated and unincorporated areas. It is the purpose of this Ordinance to create a County Multipurpose Municipal Service Benefit Unit for the purposes of providing without limitation a street lighting system and maintenance of grounds in the public right-of-way at the two entrances within the boundaries of said unit.

SECTION II. CREATION OF UNIT

For the purpose of creating, establishing, maintaining, and operating a street lighting
